Convention Details

The 2019 Convention Committee invites you to join your fellow MRHS members for this year's MRHS Convention at the Lake Superior Railroad Museum in beautiful Duluth, MN. We will be riding the rails in style with W24 and business car Northland exclusively for the MRHS. These cars will be exclusive for our members and the cars will be pulled by DM&IR 2-8-0 Steam Engine #332!

This year's convention will be jammed packed with an excellent lineup of things to do, see and hear about. The best is the opportunity to connect with your fellow MRHS members to get caught up and talk everything Missabe.

Special Note: This year all attendees will need to book their own hotel accommodations. All activities planned for the convention will be held at the Duluth Depot. Book your hotel rooms early!

Modeling and Photo Contests: PLEASE bring models and or photos for our contests. You can enter steam or diesel engines, rolling stock, cabooses, maintenance of way, passenger cars, buildings or anything Missabe related. This is a great way to show off your modeling skills and share with others. Photos can be either in B&W or color on anything DM&IR. Let's get a good turnout this year for our contests.

Archives Auction: We are always looking for donated items to auction off at our convention to raise dollars for our archive efforts. Last year we had so many people bring an item or two that we had an outstanding auction. If everyone would bring just one item it makes for a truly great fundraising event. If you have any items that you would like to donate or are planning to bring, please contact Brian at hoageeze@comcast.net. All donations are tax deductible.

Itinerary: We have a full itinerary listed on the back of this flyer so you can plan your weekend accordingly.

Lodging is on your own this year so book your hotel early!

This year's convention will not be held at a hotel but rather at the Lake Superior Railroad Museum in downtown Duluth. There are a number of hotels in close proximity to the Depot. Because the convention is in early September this year, we suggest you book your room early. Those of you that prefer campgrounds, they really fill up fast that time of year so book soon!
