You can also join now on our website at www.missabe.com with a credit card.

The **Archives Fund** supports our efforts in collecting, storing, preserving and digitizing maps, slides, drawings and other written documents that came from the DM&IR and its predecessors.

The **Heritage Fund** supports our efforts in helping to preserve prototype DM&IR equipment such as engines, cars, cabooses and structures. The Society is regularly approached by other heritage organizations asking for assistance in helping to preserve Missabe artifacts and your donation will go towards these efforts.

Donations to these funds are 100% tax deductible.
